

THE HILLTOP

About the Hilltop

The Hilltop is a family run restaurant located in Stansted village, near Wrotham in Kent. The Hilltop has been our family home since 1963 and we are a relaxed “eclectic” place to visit with a warm welcoming atmosphere. We are centrally located being close to Sevenoaks, Maidstone and Dartford, in a beautiful part of the rural countryside. The Hilltop is here for your enjoyment with friends and family. The Hilltop is the perfect setting for a relaxed meal, a celebration or a pre booked midweek event. We are open for bookings on a Friday and Saturday evening from 6.30pm and Sunday lunchtimes from 12.30pm. We also provide bookings for holiday cottage stays by arrangement (minimum stay required).

The Hilltop was originally a homestead known as Brattles or Brattles Place. This can be traced as far back as 1800. The building has had many uses and has been altered over the years. In more recent times the Hilltop has attracted a loyal following in the form of a club and restaurant, guests have visited from the famous to the infamous and all those in-between! Many characters have dined and even stayed within these four walls.

We were the hosts to the motorbike racing legends of Brands Hatch in the 1960's and 70's, being an ideal base to our close proximity to the world-famous circuit. As time moved on a 'nightspot' developed, attracting personalities from London and beyond, all leaving their stamp on this country venue. In more recent times we have increased our restaurant and celebration business with a personal hospitality service.
